

I am Lizo Kingston Mshume from Mqanduli in Eastern Cape. I am currently doing Higher Certificate in Practical Business Administration (HCBA) NQF Level 5. I am going to do my Bachelor in Business Administration at TSiBA Cape Town next year. As a Student at TSiBA Education, Eden campus .

I've had the pleasure of knowing Belinda Bam from 2013-26-01 on the orientation camp at Red Shed. She has been a dedicated Academic Manager and Lecture who is always there for everyone.

A person that you can go to for any reason. I would like to take this opportunity to wholeheartedly recommend Ms. Bam as the most courageous, joyful and dedicated person who comfort and uplift the individual's growth.

I served as her 2013 student and volley ball captain. Ms. Bam dedicated her life and time in uplifting the education on the disadvantaged places.

In addition to her excellence as academic manager, Ms. Bam was also a pleasure for students and garden root households.

She is very easy-going and polite, and although she is very serious and motivated in her pursuit of work, she is also very humble and willing to listen and help where she can.

I observed in Ms. Bam a constant desire to educate more and strive for perfection in our live as her students. She can lead a group as well as she can work with others. Working on any kind of institution or organization would imbue her with an overall well-roundedness that could produce a truly outstanding and notable job.

I feel confident that Ms. Bam will continue to succeed in her work as a Self Employed. She offers an engaging personality and a strongly motivated devotion to the work she does. It is for these reasons that I strongly recommend Ms. Bam for Leadership Development, without reservations. Please feel free to contact me if you have any questions.
